Authorisation

I/We authorise you to debit my/our account with the amounts of direct debits from Smartshares (the initiator) with the authorisation code specified on this authority in accordance with this authority until further notice. I/We agree that this authority is subject to the bank's terms and conditions that relate to my/our account, and the specific terms and conditions set out over the page.

Account holder signature(s): _____ Date: _____

Specific terms and conditions

You may ask your bank to reverse a direct debit up to 120 calendar days after the debit if you don't receive written notice of the amount and date of each direct debit from the initiator, or you receive written notice but the amount or the date of debiting is different from the amount or the date specified on the notice.

The initiator is required to give you written notice of the amount and date of each direct debit in a series of direct debits no later than the date of the first direct debit in the series. The notice is to include the dates of the debits and the amount of each direct debit.

If the bank dishonours a direct debit but the initiator sends the direct debit again within five business days of the dishonour, the initiator is not required to give you a second notice of the amount and date of the direct debit.
